Going to the Lake

Written by Cherry Carl

Shake a leg! It's time to wake!
We are going to the lake!

Shake a leg! It's time to wake!
We are going to the lake!

Bake a cake for us to take!

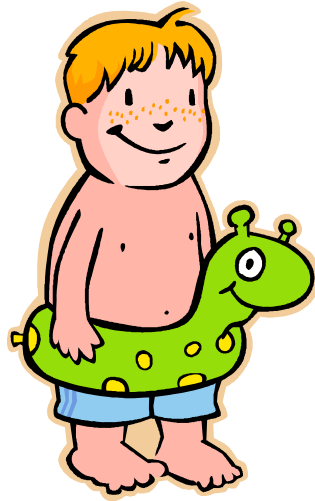

Bake a cake for us to take!

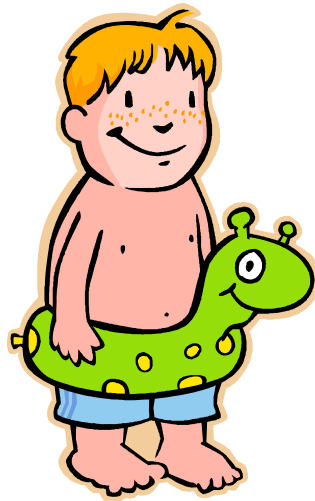

We'll have a picnic by the lake.

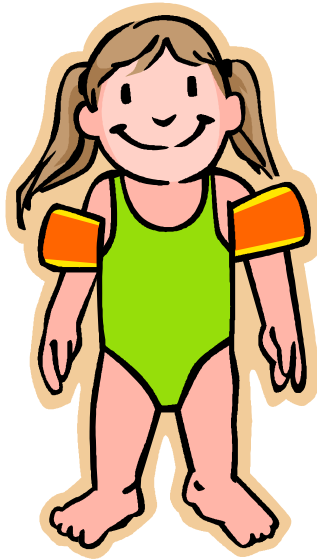

We'll have a picnic by the lake.

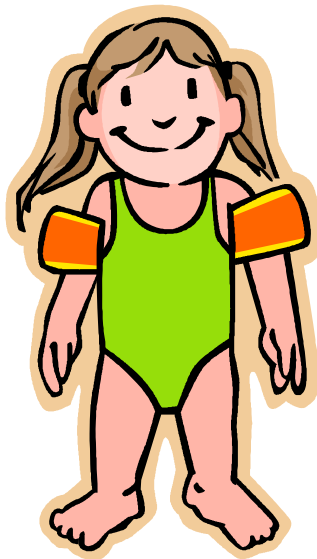

Take your floating snake that's fake!

Take your floating snake that's fake!

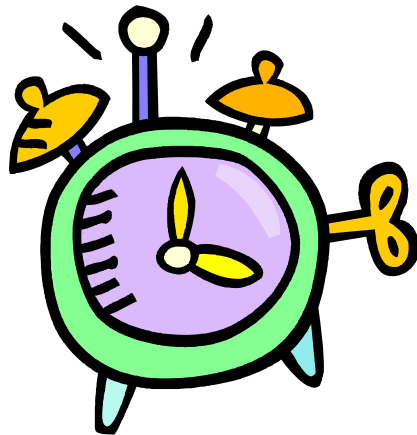

Take these, too, for goodness sake!

Take these, too, for goodness sake!

Oh, will we make it to the lake?

Oh, will we make it to the lake?

Jake can swing above the lake,

Jake can swing above the lake,

while Blake goes floating on the lake.

while Blake goes floating on the lake.

Drake goes home with dinner to make!

Drake goes home with dinner to make!
