

# Elena's Serenade

Cherry Carl

Blowing glass is a difficult task,

But little Elena had to ask

Her papa to see if she could try

To blow some glass, but his reply?

"You're too young, my little one,

This isn't an art for everyone."

But Elena blew and played a tune

Of the beautiful stars and very soon,

Elena was playing her serenade

And her beautiful stars were on parade!
