

Tops or Bottoms?

Cherry Carl

Tops or bottoms? Bottoms or tops?
Which is your favorite part of the crops?

Crunchy carrots and some beets
Goes to the hare, the guy who cheats!
Beautiful broccoli and lettuce, too,
Goes to the hare and his clever crew!
Bear is sleepy and terribly lazy,
But he is never, ever crazy!

He learned his lesson from the hare,
And found that neither one played fair!
They won't be partners (never, never).
His friend, the hare, is just too clever!
