**Build a garden when the  
spring is in the air.**

Plant the seeds and spread  
the dirt out everywhere.

Sprinkle water every morning.

Watch for weeds that give no warning.

Just be sure to give your  
garden lots of care!

Soon you'll see the tiny plants  
begin to sprout.  
Take a spade and dig those  
spreading weeds right out!

Spray some water on each row.

Now stand back and watch  
them grow.

And you'll have a flower  
garden, there's no doubt!
