

This man works to fix our sink.

This man works to bring our mail.

This woman works to keep us well.

This man works to make our homes.

These women work to keep us safe.

This man works to put out fires.

This man works to take us to school.

These people work to give us milk.

This man works to grow our food.

This man takes care of our teeth.

This woman works to sell us food.
